Conclusion

Campus Placement drive, which was carried out during 2022-23 was one of its kind due to the pandemic, but due to sheer determination and diligence, it was successfully completed and it clearly demonstrated the demand for IIIT Kota graduates among the top recruiters in various segments of the economy and industry.

The outstanding quality of our students as well as the tremendous support provided by the Institute administration, academic units, faculty and staff, alumni, companies, and all the well-wishers, contributed to the success of the endeavors towards placements.

Following the trend from previous years, the recruiters appreciated the domain knowledge and training imparted to our students with dedication. This all has been possible due to the combined efforts of the Placement Office including the student placement team, the excellent academic system, and opportunities provided to students for their all-around development.
